

# SEASON TICKETS REGULATION

1. The season ticket can be purchased by an adult adult, in compliance with the rental contract, which must be signed.
2. After signing the contract, for subsequent withdrawals it will be necessary to show only one identification document that must correspond to the holder of the subscription card.
3. You give the right to use your subscription to a second person other than the holder provided that you are registered on the subscription contract at the time of purchase.
4. The purchase of an electric bike subscription entitles you to use both an e-trekking and e-mtb; If the subscription purchased is for a muscle bike you can use both trekking and mtb bikes.
5. For subscriptions purchased for minors, the document of the minor holder of the subscription and the document of the subscriber of the subscription must be presented ; in the event that the minor is accompanied to the collection of the bicycle by an adult person other than the subscriber of the subscription, this will be possible only if the companion has been previously registered in the rental contract as a person authorized by the subscriber, who remains responsible.
6. The subscription entitles you to use the bicycle for the number of 14 halfdays that below we will call "Window" in the case of one or "Windows" in the case of a number greater than one, until exhaustion of the same.
7. The use of the "Windows" can be done by booking it by sending an e-mail to the [booking@funandbike.it](mailto:booking@funandbike.it) address, through the chat of the [www.funandbike.it](http://www.funandbike.it) website, through the social channels of FUN & BIKE, through telephone contacts; the use of the "Windows" can also take place without reservation by presenting itself directly in the store ; in all in cases the use of the "Windows" may be possible subject to availability of the bicycle object of the subscription.
8. The reservation of one or more "Window" is binding; in case of failure to collect the bicycle a "Window" will be considered used and then reduced from the remaining available.
9. Each "Window" is equivalent to the number of hours the store opens in the morning or afternoon; they vary depending on the season and will be delivered to the Customer. In case of use of the "Window" for a number of hours less than the maximum possible number the "Window" is considered used. It is obligatory to return the bike at least 10 minutes before closing time.
10. The uses of the "Windows" will be stored and updated both on the card delivered to the customer by drilling the "Window" and on FUN & BIKE DI SCIROCCO PAOLO computer media which will have only value in case of discrepancy with the Customer's card which must be updated by FUN & BIKE.
11. The subscriber of the contract in no case can request the return of unused "Windows".
12. The use of the bikes rented with the subscription formula is governed by the rental contract that the customer undertakes to sign.
